Timbaland]

Another one

[Playa - CHORUS]

Here we come, so wave your hands

For Missy, Maganoo, and Timbaland

We gon' show you how the party break

So pass the UHH to get me hyped

But wait, we gonna party tonight...

[Magoo - Verse One]

If you're livin' for nothin', then start livin' for life

If you're having a baby, then make her your wife

If you're up in the club where the dubs start the tank

Sell to the highest bid, put the cash in the bank

When I'm up in your booty, you can "hoo" to my blows

Damn miss, but please honey child, don't kiss

All I want is a freak when I'm up in the club

Maybe after the dance, then let's jump in the tub

I'm a nigga wit' class, you're a girl with a job

Taste on my neck like corn on the cob

I'm second to none, freaky as ever

Go downtown, "Well I never"

[Timbaland - Verse Two]

Uh, uh, uh, uh

I'm the man, that they call Timbaland

And he deserves the word, the bird understands

We gon' party, til the sun comes up

Bartender, you forgot to fill up my cup

Ain't no stoppin', til the draws start poppin'

There won't be no beef unless the disc stop jockin'

She said this, and he said that

And he said that Timbaland can't rap

Well I don't care, because I make those tracks

I make you bounce and wiggle, and do this and that

Timbaland, where you live at?

VA baby, believe dat

[Missy - Verse Three]

Aiyyo, aiyyo

Now I'm rich, I once was poor

If you're late with my dough, then there's no show

I grease my hair and it still won't grow

If you feel my butt, boy you gotta go

Out the back for touchin' my back

For trying to jack, every Timbaland track

Maganoo, where you was?

they been bitin; our style, those silly bugs

Where's the spray? I'ma spray 'em good

So the next time they bite, then they die like "Ugh"

I'ma roll up the biggest dutchie

Get some sweets cuz I got the munchies

[Playa {Aaliyah} (Timbaland) - CHORUS]

Here we come, so wave your hands (wave yo hands)

For Missy, Maganoo, and Timbaland (and Timbaland)

We gon' show you how the party break

So pass the UHH to get me hyped (UHH..to get me hyped)

Alright, we gonna party tonight (Aight, we gon party, we gon party, say it,

uhh)

Here we come, so wave your hands (wave yo hands)
{Yea}

For Missy, Maganoo, and Timbaland (and Timbaland)
{Yea}

We gon' show you how the party break {Yea}

So pass the UHH to get me hyped (UHH..to get me hyped) {Yea}

Alright, we gonna party tonight (Aight, we gon party, we gon party, say it,

uhh)

[Magoo - Verse Four]

Hehe, yea

Girl, I'm the bar, open up five rum

Everybody wanna get a buzz, get some

9 out of 10, all girls gonna freak

Just gon' depend on who they gonna freak

Those kinds that floss, all girls know their name

Only near, chillin' in the club, no game

Brotha mad at me cuz I got cheddar cheese

When the club ?, got his girl on her knees

Old man please, learn the two degrees

Degree number one, keep your girl off trees

Degree number two, keep your girl 'round you

Never trust a girl, Lord knows what she do

[Timbaland - Verse Five]

Uh huh

Tricks - is what I got in my bag

Hits - is what I make out the lab

Ritz - is the crackers that I eat

Bitches - is what a man don't need

Rubbers - shows I'm on capital level

Stutter - is what I do when I'm in trouble

[Missy - Verse Six - SINGING]

My man, Timbaland

He make beats for the streets

See, me and Maganoo

Is the backbone of trees

Gettin' high off a bone

Tellin' niggas what you on

HEY!

[Missy - Verse Seven - RAPPING]

Now, I'm in, the S-L-K

I roll up the window, so the dew won't sway

Spray my hairspray so the waves won't fade

So when I say stay, them muthafuckas stay

Oh by the way

Me and Timbaland, we got the beats to make you
dance

[Repeat CHORUS]

[Playa (Aaliyah)]

Doo-do-do, doo-do-do (Yea)

Doo-do-do, doo-doo, doo doo doo (Yea)

Doo-do-do, doo-do-do (Yea)

Doo-do-do, doo-doo, doo doo doo (Yea)

Doo doo, doo doo doo, doo doo doo.....(Yea
