"Two Faced Bastard"

I don't need anybody, much less a pseudo friend like
you
You don't get through nobody, you see the same shit
that I do
You're the most two-faced bastard I've ever seen
And I hope and pray that you one day will know just
what I mean
The most I ever saw you was when you wanted
something more
I did my best to help you you did your best to slam the
door
You're the most two-faced bastard I've ever seen
And I hope and pray that you one day will know just
what I mean
You have annoyed me to no end I had the nerve to call
you friend
Why don't you get out of my life my back reveals the
knife
That you put in me long ago I need a word before you
go
Why don't you get out of my life, get out of my life
You're the most two-faced bastard I've ever seen
And I hope and pray that you one day will know just
what I mean
I mean
