[Daughtry] Traveled all around the world to be with you
You never know where the open road will lead you to I
crawled before I walked and still got nowhere fast The
other side still has the greener grass Oh-oh-ohhh.. you
win some and you lose some, yeah Oh-oh-ohhh! And
things look so much smarter from up here [Chorus] I
hear it's such a lonnnnnng wayyyyy down And the climb
back up ain't as easy as it sounds I hear it's such a
lonnnnnng wayyyyy down And the climb back up is just
somethin I can do without! Somethin I can do without!
[Timbaland] C'mon I walked until I didn't have no
energy I bought until I didn't have no bite left in me I
died so that I didn't have to live in the past But the
other side still had the greener grass [Daughtry] Oh-
oh-ohhh.. you win some and you lose some, yeah Oh-
oh-ohhh! And things look so much smarter from up
here [Chorus] [Timbaland] + (Daughtry) Ow ow-ow ow
ow-ow-ow (somethin I can do without!) Ah-ow ow-ow
ow, ow ow (somethin I can do without!) Put your hands
up yeah! Hey, put your hands up YEAHH! Yeah, put
your hands up yeah, hey! (Somethin I can do without!)
[Chorus] + ad libs [ad libs] It's just somethin I can do
withouuuut Ah-yeahh, it's just somethin I can do
withouuuut Yeah-yeahhhh It's just somethin I can do
without! [Outro: Daughtry] + (Timbaland) Yeahhh yeah,
