[Jet] Timothy.. I took your place (I took your place)
Timothy.. cause such a waste (cause such a waste)
Timothy, we found your spaceship Timothy, it's the
farthest you've ever flown-own-own -own-own-own-own-
owwww [Timbaland] Hey! Put your lighters up Put your
lighters up y'all, y'all, y'all, y'all, y'all Y'all put your
lighters up This the Timothy song if you don't know
about me Yeah they call me Tim, V-A's phenomenon I
kill 'em all winter, until the summer come From just
another name, all the way to number one And I'm
simply the best when it's all said and done Remember
when me and Magoo was tryin to make a mill'? Well we
did and years later we got it still Gave you my bio,
"Under Construction 1 and 2" Hundred percent,
Ginuwine, that was from me to you I'm makin moves
while they ridicule I'm like a warm summer breeze in
the swimmin pool - I'm cool I never kept it basic, I been
so many places Been gettin money since them honies
had them small faces So many little me's, I can hear
small traces But I just ignore it, cause I'm too big for it
And I can hear 'em screamin {*echoes*} [Chorus: Jet]
Timothy, where have you beeeenn? It's not what it
seems but it isssss Timothy, where have you beeeeen?
She cried in the kitchen to let you go Timothy, where
have you beeeeen? [Timbaland] I been in Athens,
Georgia by way of Bubba Sparxxx When the +Nights+
were +Bright+ and all the +Days+ was +Dark+ But
now they all bright, everything is all right If you assume
my life is wonderful then y'all right I got a bad wife,
three beautiful kids I make the world dance, yeah look
what I done did Hits for Jay-Z, Nelly Furtado Catch up,
y'all slow, escargot Nelly did fourteen mill', where's
Fargo? I brought a airplane, fuck I need a car fo'? Ask
Justin Timberlake is Timbaland great? Y'all gotta deal
with me, no handshake Stand up nigga, rather have a
stand off with the law before I let 'em say I ran off And I
can hear 'em screamin {*echoes*} [Chorus]
[Timbaland] Ay, some say I went away but really I never
left They wonder where I been, but they can never
guess I been around the world here to the other side
And I successfully achieved what all those others tried

Carry my city on my back like a crucifix For more than a
decade cause I can do this shit A lot of people want my
spot but I don't hesitate The track label my legacy won't
appreciate I stand strong, everything I put my hands on
Me and Mr. I be, cause ain't no I in team Cause I can
hear 'em sayin {*echoes*} [Chorus] [Outro - female
singer uncredited] Timothy, where have you been? She
cried in the kitchen to let you go Where have you been?
[Jet] Timothy, where have you been?
