Don't wanna sniff your glue no one to answer to

You wanna throw your life away or save it for a rainy  
day

It doesn't matter either way

Get bored just watching you got better things to do

Don't wanna sniff your glue no one to answer to

You wanna throw your life away or save it for a rainy  
day

It doesn't matter either way

You wanna throw your life away or save it for a rainy  
day

It doesn't matter either way
