I don't wanna hear it  
All you do is talk about you  
I don't wanna hear it  
Cos I know that none of it's true  
I don't wanna hear it  
I'm sick and tired of all your lies  
I don't wanna hear it  
When are you gonna realize...

That I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it

I don't wanna hear it  
All you do is talk about you  
I don't wanna hear it  
Cos I know that none of it's true  
I don't wanna hear it  
I'm sick and tired of all your lies  
I don't wanna hear it  
When are you gonna realize...

That I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it

Shut your fucking mouth  
I don't care what you say  
You keep talking  
You're talking everyday  
First you're telling story  
Then you're telling lies  
When the fuck are you gonna realize...

That I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it  
Know you're full of shit  
I don't wanna hear it  
Ah! Shut up!
