I missed the train to Boston,  
Now I'm left in the Cold,  
I never wanted this to end,  
And now you got a new boyfriend,  
He says he'll love you better,  
Than I will ever do,  
And will you say you love me too, oh!

Can't make up for past mistakes,  
but you know I'm gonna keep on trying,  
The world used to be ours to take,  
Can't you see that now,  
I'm dyin'

I know you broke your promise,  
That you were an empty hole,  
I thought I would be with you forever,  
Can't stand living on my own,  
Such a minor set back,  
A never is all it took,  
Thinks he's Mr. Perfect,  
And she'll take another look,

Can't make up for past mistakes,  
but you know I'm gonna keep on trying,  
The world used to be ours to take,  
Can't you see that now,  
I'm dyin'

I'm not too great for that,

You're never coming back,

All those chances take another drink,  
I thought it'd never come to that,

You moved on to better things,  
And all the misery you maked,  
To me all I want's the best for you, FOR YOU!

Can't make up for past mistakes,  
but you know I'm gonna keep on trying,

The world used to be ours to take,  
Can't you see that now,  
I'm dyin'
