Jealous cowards try to control
rise above, we're gonna rise above
they distory what we say
rise above, we're gonna rise above
try and stop what we do
rise above, when they can't do it themselves
we are tired of your abuse
try to stop us, it's no use
society's arms of control
rise above, we're gonna rise above
think they're smart, can't think for themselves
rise above, we're gonna rise above
laugh at us behind our backs
i find satisfaction in what they lack
we are tired of your abuse, try to stop us
it's no use
rise above, we're gonna rise above
