I just want to enjoy my life

And show this world how to care

And nothing brings more joy to my life

Than knowing a girl will be there

Are ya happy girl?

(Huh?)

Knowing that you right near broke my heart in a piece  
or two

(Huh?)

Knowing that I would have walked across the ocean for  
you

Saying you're young and confused

Well that's a lame excuse

That's why the only one to blame is you for

Last night

Can't believe what I was hearing

Telling me to have a nice life

So tonight

I don't think I'll spare your feelings

You're on your own

I'm-a do for me what's right

In your eyes a see a second chance

Maybe I should take another glance

But for now I'll wash my hands

Cause I love ya baby, love ya baby

Pharrell say don't do it the same

But I say ain't playing my games

But for you my soul still remains

Cause I love ya baby, love ya baby

Are ya happy girl?

(Huh?)

Knowing that you right near broke my heart in a piece  
or two

(Huh?)

Knowing that I would have walked across the ocean for  
you

Saying you're young and confused

Well that's a lame excuse

That's why the only one to blame is you for

Last night

Can't believe what I was hearing

Telling me to have a nice life

So tonight

I don't think I'll spare your feelings

You're on your own

I'm-a do for me what's right

I hope you're thinking

(Tell me girl, when I was your man)

I hope it sinks in

(If you don't understand, then you don't understand)

We're gonna stop dreaming

(The way I feel)

About you

Last night

Can't believe what I was hearing

Telling me to have a nice life

So tonight

I don't think I'll spare your feelings

You're on your own

I'm-a do for me what's right

Last night

(Just-a last night)

Can't believe what I was hearing

(Just can't believe it baby)

Telling me to have a nice life

(Oh)

So tonight

(Yea)

I don't think I'll spare your feelings

You're on your own

I'm-a do for me what's right

(Got something I wanna tell ya girl)

I hope you're thinking

(Tell me girl, when I was your man)

I hope it sinks in

(If you don't understand, then you don't understand)

We're gonna stop dreaming

(The way I feel)

About you

(Let me tell you one more time)

I hope you're thinking

(Tell me girl, when I was your man)

(My baby)

I hope it sinks in

(If you don't understand, then you don't understand)

(Yea yea yea yea)

We're gonna stop dreaming

(The way I feel)

About you

Oh baby

Yea yea yea yea

See I ain't gonna be the one

Ain't gonna play these games with you

But I still love you

Tell me girl when I was your man

Ain't nothing gonna take that away

No no no no, no no-no

See I remember

In December

We were walking holding hands

And I was your man

Can't we just get back to that?

Baby?
