Just something about you

The way I'm lookin at you whatever

You keep lookin at me

You gettin scared now, right?

Don't fear me baby, it's just Justin

It feel good right?

Listen

I kind of noticed, from one night

From the club, your front face

It's kind of weird to me

Since you're so fine

If it's up to me you'll face no change

If you smiling, that should set the tone

Just be limber

If you let go, the music should move your bones

Just remember

Sing this song with me

Ain't nobody love you like I love you

You're a good girl and that's what makes me trust ya

Late at night, I talk to you

You will know the difference when I touch you

People are so phony
Nosy cause they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hatin
When it doesn't matter anyway
Cause we're here tonight
If you smiling, that should set the tone
Just be limber baby
If you let go, the music should move your bones
Baby just remember
Sing this song with me
Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you
Yeah, you know I can make ya happy
I could change your life
If you give me that chance
To be your man
I won't let you down baby
If you give me that chance
To be your man
Here baby, put on my jacket
And then ...

Maybe we'll fly tonight (I just wanna love you baby)

Yeah, yeah, yeah

Maybe we'll fly tonight (I just wanna love you baby)

Girl ...

[RAP]

Ma, what chu wanna do?

I'm in front of you

Grab a friend, see I can have fun with two

Or me and you put on a stage show

And the mall kids, that's how to change low

From them you heard "wow, it's the same glow"

Look at me, I say "yeah, it's the same dough"

We the same type, you my air of life

You have sleepin in the same bed, er'night

Go rock with me, you deserve the best

Take a few shots

Let it burn in your chest

We could ride down

Pumpin N.E.R.D. in the deck

Funny how a few words turn into sex

Play this free, joint called "brain"

Ma, take a hint

Make me suerve in the lane

The name Malicious

And I burn every track

Clipse and J. Timberlake

Now how heavy is that?

Maybe we'll fly tonight (I just wanna love you baby)

Yeah, yeah, yeah

Maybe we'll fly tonight (I just wanna love you baby)

Girl ...

Ain't nobody love you like I love you

You're a good girl and that's what makes me trust ya

Late at night, I talk to you

You will know the difference when I touch you

Break this down

You know, I used to dream about this when I was a

little boy

I never thought it would end up this way, [drums]

It's kind of special right? yeah

You know, you think about it

Sometimes people just destined

Destined to do what they do

And that's what it is

Now everybody dance.
