Would have given up my life for you
Guess it's true what they say about love
It's blind
Girl, you lied straight to my face
Looking in my eyes
And I believed you 'cause I loved you more than life
And all you had to do
Was apologize
You didn't say you're sorry
I don't understand
You don't care that you hurt me
And now I'm half the man
That I used to be when it was you and me
You didn't love me enough
My heart may never mend
And you'll never get to love me, again
No, no, no, no, no, no
Sadness has me at the end of the line
Helpless watched you break this heart of mine
And loneliness only wants you back here with me
Common sense knows that you're not good enough for

me

And all you had to do

Was apologize, and mean it

But you didn't say you're sorry

I don't understand

You don't care that you hurt me

And now I'm half the man

That I used to be when it was you and me

You didn't love me enough

My heart may never mend

And you'll never get to love me

It's like hell I could go back in time

Maybe then I could see how

Forgiveness says that I should give you one more try

But it's too late, it's over now

You didn't say you're sorry

I don't understand

You don't care that you hurt me

And now I'm half the man

That I used to be when it was you and me

You didn't love me enough

My heart may never mend

And you'll never get to love me

Again

Again, yeah, yeah

Again, again, again, yeah, yeah, yeah

Never get to love me
