Don't be so quick to walk away

Dance with me

I wanna rock your body

Please stay

Dance with me

You don't have to admit you wanna play

Dance with me

Just let me rock you

Till the break of day

Dance with me

Got time, but I don't mind

Just wanna rock you girl

I'll have whatever you have

Come on, just give it up girl

See I've been watching you

I like the way you move

So go ahead, girl, just do

That ass shaking thing you do

So you grab your girls

And you grab a couple more

And you all come meet me

In the middle of the floor  
Said the air is thick, it's smelling right  
So you blast to the left and you sail to the right  
Don't be so quick to walk away  
Dance with me  
I wanna rock your body  
Please stay  
Dance with me  
You don't have to admit you wanna play  
Dance with me  
Just let me rock you  
Till the break of day  
Dance with me  
I don't mean no harm  
Just wanna rock you girl  
Make a move, but be calm  
Let's go, let's give it up girl  
See it appears to me  
You like the way I move  
I'll tell you what I'm gonna do  
Pull you close and share my groove  
So you grab your girls  
And you grab a couple more  
And you all come meet me  
In the middle of the floor

Said the air is thick, it's smelling right  
So you blast to the left and you sail to the right  
Don't be so quick to walk away  
Dance with me  
I wanna rock your body  
Please stay  
Dance with me  
You don't have to admit you wanna play  
Dance with me  
Just let me rock you  
Till the break of day  
Dance with me  
Talk to me boy  
No disrespect, I don't mean no harm  
Talk to me boy  
I can't wait to have you in my arms  
Talk to me boy  
Hurry up cause you're taking too long  
Talk to me boy  
Better have you naked by the end of this song  
So what did you come for  
I came to dance with you  
And you know that you don't want to hit the floor  
I came to romance with you  
You're searching for love forever more  
It's time to take a chance

If love is here on the floor, girl

Hey

Dance with me

Yea

Come on baby

Don't be so quick to walk away

(Don't walk away)

(Come on and)

Dance with me

I wanna rock your body

(Let me rock your body)

Please stay

(Come on and)

Dance with me

You don't have to admit you wanna play

(You don't have to admit you wanna play, just) Dance  
with me

Just let me rock you

(Do do do do)

Till the break of day

(Come on and)

Dance with me

Talk to me boy

No disrespect, I don't mean no harm

Talk to me boy

But I can't wait to have you in my arms

Talk to me boy

Hurry up cause you're taking too long

Talk to me boy

Better have you naked by the end of this song

Don't be so quick to walk away

(Just think of me and you)

Don't be so quick to walk away

(We could do something)

Don't be so quick to walk away

(I like the way you look right now)

Don't be so quick to walk away

(Come over here baby)

Are you feeling me?

Let's do something

Let's make a bet

Cause I, gotta have you naked by the end of this song
