Beautiful days are long gone
I can't seem to breath
Feels it hasn't been that long
Since you walked away from me
Now I can try to act real strong
But you and I both know I still think of you that way.
You should know...that
Beautiful lights
The star filled nights they don't mean a thing
You are my star so it dont feel r-right without you here
with me.
Now I can try to act real strong
But you and I both know it's hard for me to say
You were my soul
Now I could say that I don't love you no more
And I could say that I've closed the door
Of our love
And I could tell you it's time for us to go our separate
ways
But baby I just wouldn't be the same
Cause girl your love is still on my brain
Now when you're in love it takes time

When someone has broken your heart and changes
how you feel

Girl I thought that you never do me that way

But even after all of this

I still think of you that way.

Now I could say that I don't love you no more

(i could say this, i could say that)

And I could say that I've closed the door our love

And I could tell you it's time for us to go our separate
ways

But baby I just wouldn't be the same

Cause girl your love is still on my brain

Now love is a game that we both like to play

Will I win or lose if I go or if I stay, yeaa

Even though I tried to hide

My broken heart inside

Girl you know me inside out

And I can't get you off my minddddddd

I could say that I don't love you no more

(i can say it, i can)

I could say that I've closed the door our love

(closed the door)

I could tell you it's time for us to go our separate ways

(its time for us to go our separt

But baby I just wouldn't be the same

(wouldnt be the same)

Cause your love is still on my brain

(still on my brain yea)
