Sometimes, sometimes the world gets hard

Oh na na na

I'm gonna take it from here girl

Don't you worry

I wanna be your lake, or your bay

And any problems that you have

I wanna wash 'em away

I wanna be your sky

So blue and high

And everytime you think of me

I wanna blow your mind

I wanna be your air

So sweet and fair

So when you feel that you can't breathe

Ma, I'll be there

I wanna be your answer, all the time

When you see how I put your life before mine

With no question

When all the love feels gone

And you can't carry on

Don't worry, girl

I'ma take it from here

Just as sure as the sun will shine

Every morning, everytime

Don't worry, girl

I'ma take it from here

I wanna hold your hands

Review all your plans

I wanna make sure everyone of your dreams is there

I would be your Broadway show on review

So I can act out how God was when he made you

I wanna be your lighthouse when you get lost

I'll light a bright and shiny path to help you across

I wanna be your mother, wait

See what I see

And when you see that can't nobody hold you like me

Cause I love you

When all the love feels gone

And you can't carry on

Don't worry, girl

I'ma take it from here

Just as sure as the sun will shine

Every morning, everytime

Don't worry, girl (no no)

I'ma take it from here

And when there's no one there to hold

And you realize the world is cold

Don't worry, girl

I'ma take it from here

That's what I'm gonna do

Just as sure as the sun will shine

Every morning, everytime

(Don't you worry, baby)

Don't worry, girl

I'ma take it from here

Give me one reason why we should not be leaving

This world is so deceiving, the time is now

Let's fly away speeding

Through the Garden of Eden

Where all the sweet breathing of love surrounds

When all the love feels gone

And you can't carry on

Don't worry, girl

I'ma take it from here

Just as sure as the sun will shine

Every morning, everytime

Don't worry, girl (no no)

I'ma take it from here

Give me one reason

Why we should not be leaving

This world is so deceiving

The time is now

Lets fly away speeding

(We'll fly away)

Through the Garden of Eden

Where all the sweet and breathing

Of love surrounds

When all the love feels gone

And you can't carry on

Don't worry, girl

I'm-a take it from here

Just as sure as the sun will shine

Every morning, everytime

Don't worry, girl

I'm-a take it from here

Love ain't always the way they write in books

(No, no)

See there's the good guys

And also heartbreak crooks

Your hearts the real one

Just take a look inside

'Cause it's a colorful illustrated guide

So there you go

Don't worry

To help you weather the storm

I'll be there mami

No matter what time

No matter what place

You can always count on me

I'll take it from here
