Yea...

Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got, what you got

Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got for me
Mr. JT, now what you got, what you got

You're sneaky
From the corner of my eye I saw you eyeing me
I know that you're watching
Tell me
What would you do if I encouraged you
To get next to me
When nobody's watching

The way your body keeps moving
Is something that makes me weak
Let's start our own little secrets
For just you and me to keep
Too late to come or shy now
You've already gone this far
So baby make your move, take charge
Show me what you got for me

Oh no
(Girl)
Is that your hands, (your hands), rubbing on me
Oh no
(Girl)
Is that your hands, (your hands), feeling on me
Oh no
(Girl)
Is that your hands, (your hands), rubbing on me
If so
(Girl)
If that's your hands, (your hands), then tell me what

you got for me

Baby, I can tell that you want to do more
Than just dance with me
And I don't mind you flirting
But honestly
Do you really wanna spend the whole night
Passing looks at me
(Looks at me)
Come over here and get to working

The way your body keeps moving
Is something that makes me weak
(Makes me weak)
Let's start our own little secrets
(Yea)
For just you and me to keep
(Us to keep)
Too late to come or shy now
You've already gone this far
So baby make your move, take charge
(Oooh)
Show me what you got for me

Oh no
(Girl)
Is that your hands, (your hands), rubbing on me
Oh no
(Girl)
Is that your hands, (your hands), feeling on me
Oh no
(Girl)
Is that your hands, (your hands), rubbing on me
If so
(Girl)
If that's your hands, (your hands), then tell me what
you got for me

Oh, oh, oh, oh
Oh, oh, oh, oh
(What you got)
Oh, oh, oh, oh
Oh, oh, oh, oh
(What you got)
Oh, oh, oh, oh
Oh, oh, oh, oh
(What you got)
Oh, oh, oh, oh
Oh, oh, oh, oh

Oh no

(Oh no)
(Girl)
Is that your hands, (your hands), rubbing on me
Oh no
(No)
(Girl)
Is that your hands, (your hands), feeling on me
Oh no
(Girl)
Is that your hands, (your hands), rubbing on me
(Rubbing on me)
If so
(Girl)
If that's your hands, (your hands), then tell me what
you got for me
(If that's your hands)

Oh, oh, oh, oh
Oh, oh, oh, oh
(What you got)
Oh, oh, oh, oh
Oh, oh, oh, oh
(Do do do do do do do do do do do do do...)
(What you got)
Oh, oh, oh, oh
Oh, oh, oh, oh
(What you got)
Oh, oh, oh, oh
Oh, oh, oh, oh

Oh no...
Your hands
Feeling on me
Oh no...
Your hands
Rubbing on me
Le do do do do do do do do do do do do do...
Le do do do do do do do do do do do do do...
Le do do do do do do do do do do do do do...
