Yea...

Mr. JT, now what you got for me

Mr. JT, now what you got for me

Mr. JT, now what you got for me

Mr. JT, now what you got, what you got

Mr. JT, now what you got for me

Mr. JT, now what you got for me

Mr. JT, now what you got for me

Mr. JT, now what you got, what you got

You're sneaky

From the corner of my eye I saw you eyeing me

I know that you're watching

Tell me

What would you do if I encouraged you

To get next to me

When nobody's watching

The way your body keeps moving

Is something that makes me weak

Let's start our own little secrets

For just you and me to keep

Too late to come or shy now

You've already gone this far

So baby make your move, take charge

Show me what you got for me

Oh no

(Girl)

Is that your hands, (your hands), rubbing on me

Oh no

(Girl)

Is that your hands, (your hands), feeling on me

Oh no

(Girl)

Is that your hands, (your hands), rubbing on me

If so

(Girl)

If that's your hands, (your hands), then tell me what  
you got for me

Baby, I can tell that you want to do more

Than just dance with me

And I don't mind you flirting

But honestly

Do you really wanna spend the whole night

Passing looks at me

(Looks at me)

Come over here and get to working

The way your body keeps moving

Is something that makes me weak

(Makes me weak)

Let's start our own little secrets

(Yea)

For just you and me to keep

(Us to keep)

Too late to come or shy now

You've already gone this far

So baby make your move, take charge

(Oooh)

Show me what you got for me

Oh no

(Girl)

Is that your hands, (your hands), rubbing on me

Oh no

(Girl)

Is that your hands, (your hands), feeling on me

Oh no

(Girl)

Is that your hands, (your hands), rubbing on me

If so

(Girl)

If that's your hands, (your hands), then tell me what  
you got for me

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh no

(Oh no)

(Girl)

Is that your hands, (your hands), rubbing on me

Oh no

(No)

(Girl)

Is that your hands, (your hands), feeling on me

Oh no

(Girl)

Is that your hands, (your hands), rubbing on me

(Rubbing on me)

If so

(Girl)

If that's your hands, (your hands), then tell me what  
you got for me

(If that's your hands)

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(Do do do do do do do do do do do do do do...)

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

(What you got)

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh no...

Your hands

Feeling on me

Oh no...

Your hands

Rubbing on me

Le do do do do do do do do do do do do do do...
