Destroy me rebuild me  
Nothing seems to last  
Forgotten memories of things in the past

Why does it seem that I'm only made to break?  
I've realized something this world is a fake  
I've tried and I've tried but it never seems to work  
Lost unforgiven oh God am I livin?

Seventeen years an unbearable state  
All of my friends hate me

They can't relate it seems that I can't even lift my face  
to God  
It's hard to believe in what you cannot see  
It's so hard

Restore me rescue me  
Give me one chance  
Open up emotions  
I'll put it in His hands

"faith is the substance of things hoped for,  
The evidence of things unseen" (Hebrews 11:1)
