Every time you walk my way I'm in love  
Every time I see your face I think you are the only one  
Every night I touch your hips I'm in love with you  
Every night you dance with me, I can't, I cannot breathe anymore

Every time you walk my way  
It's every time I feel this way  
Nobody's perfect but you (breathe on me)

Every time you walk my way  
It's every time you light up the day  
Nobody's perfect but you

**Interlude**

Every day I walk this way I miss you  
Every night I go to sleep I can't, I can't stop thinking 'bout you  
Every time I'm home alone, I miss you day by day  
Every night I go back to Mike's  
I hope to meet you again

Every time you walk my way  
It's every time you hear me say  
Nobody is perfect but you

Every time you talk to me  
It's every time you light up the day  
Nobody's perfect but you

**Interlude**

Every time you walk my way  
It's every time you make me say  
Nobody's perfect but you

Every time you talk to me  
It's every time I'm feeling this way

I can't stop thinking 'bout you

Every time I walk this way  
It's every time you hear me say  
Nobody's perfect by you
