I Talk To The Trees

Tony Bavaar

(Lerner & Loewe)

From "Paint Your Wagon"

I talk to the trees

But they don't listen to me

I talk to the stars

But they never hear me

The breeze hasn't time

To stop and hear what I say

I talk to them all in vain

Refrain;

But suddenly my words

Reach someone else's ears

Touch someone else's heartstrings, too

I tell you my dreams

And while you're listening to me

I suddenly see them come true

I can see us on an April night

Sipping brandy underneath the stars

Reading poems in the candlelight

To the strumming of guitars  
I will tell you all the books I've read  
And the way I met the King of France  
Then I'll send the servants off to bed  
And I'll ask you for a dance  
Refrain;  
But suddenly my words  
Reach someone else's ears  
Touch someone else's heartstrings, too  
I tell you my dreams  
And while you're listening to me  
I suddenly see them come true
