Hard to touch, sorry to tell you, boys out here ain't hard as us

[Verse 2 - MJG]

Get up (Get up) Get crunk (Get crunk)
Let's race to the trunk (To the trunk)
Get a pump, unload and dump
Forget it, close the trunk
In the middle of a fire, scotch and burn him, overheat
him
Really mistreat him, let's Rodney King him and over
beat him
MJG is the reason yo season needed seasonal spices
They needed more life and lucky yo wife was bleedin
Now your life is leavin yo body, for drinkin too much

Never fuck with G and E
In any climate I'm shinin, floss, I'm perfect wit timin
I'm good for rippin and rhymin in and out the beat
And Eightball is loadin the clip, for niggaz supposin to

And you know I'm rollin the whip, we finna set 'em free

Them boys, they hate it, we hustle, we made it
We richer, the picture, is two of the greatest

[MJG]
