There she go, there she go, yeah  
There she go, there she go, yeah  
There she go, there she go, yeah  
There she go, there she go, yeah

Man I don't know what I was thinking  
I should have kept walking by  
She's the devil and the angel  
At the same time  
Yeah, she got that super wet river flow  
It's like I'm swimming in the bedroom  
Yeah, she got that super wet river flow  
It's like I'm swimming in the bedroom

One thang I know for sure, I knew it when I met her  
Something about this girl, I just cannot stop lookin at  
her  
I think I want to know her, maybe just a little better  
She look like the kind of piece a nigga gotta have his  
shit together  
I am not lying, she do so fine, you don't see that you  
blind  
Best hottest girl became the subject of my latest rhyme  
One thing led to another, now I'm standing in mirror  
Gotta get my dougie fresh, cause I'm fin to go get her  
Pulled up about 8 15, black on black, oh so clean  
And when I seen her, she look like the girl in my  
dreams  
So sweet and innocent, but when I got to know her well  
That's when she showed me she's a good girl bad girl

Yeah she got a body like a porn star  
She's looking good in my new car  
She's got an ass like a race horse  
Thumbs up, I made a great choice  
There she go, there she go, yeah  
There she go, there she go, yeah  
There she go, there she go, yeah  
There she go, there she go, yeah

Now I be thinking bout her every time I'm not with her  
Wondering what she do for me, is that for every nigga?

But I'm no petty nigga, and I'll be out of her business  
I try to respect her, cause some niggas, they be just  
like bitches  
Going through your phone, checking your voice mail  
and your text messages  
That pussy power full I've seen the strongest!  
She suck that dick just like she sucking on a sour pickle  
I be so rough I hope I'm not messing up Shawty dentals  
She likes to start slow, then speed up and change the  
tempo  
She like it on the balcony or looking out the window  
So sweet and innocent, but when I got to know her well  
That's when she showed me she's a good girl bad girl

Yeah she got a body like a porn star  
She's looking good in my new car  
She's got an ass like a race horse  
Thumbs up, I made a great choice  
There she go, there she go, yeah  
There she go, there she go, yeah  
There she go, there she go, yeah  
There she go, there she go, yeah.
