Verse 1:

I never had experience with this thing called love
Until I met you (I met you) my only love
Never found no one as good as you
My boy, my boy, my sunshine yeah
As I watch you from a distance I see you stare at me
In your eyes I can see
Somethings there for me
I am not so sure if you are free
If you are give me a ring on my celly

Chorus:

As I approach you
My heart beats faster
As I approach you
My knees go weak
As I approach you
I'm lost for words
As I approach you
I wanna see you smile
My baby I'm your secret admirer
Your secret
Your secret admirer (oh baby)

Verse 2:

Don't know why
I'm feeling this way
Why I got caught in the spell
your eyes cast on me
Why did your voice hypnotize me
Tell me, tell me now
I don't know what to do

Chorus:

Chorus:

As I approach you
My heart beats faster
As I approach you
My knees go weak
As I approach you

I'm lost for words
As I approach you
I wanna see you smile
My baby I'm your secret admirer
Your secret (I'm your secret)
Your secret admirer (oh baby)
your secret admirer
Forever and ever your secret admirer
oh baby ohh your secret
