There's a girl out on the back porch  
Trying to say good night  
Mama's there in the kitchen flicking on and off the  
lights  
That boy's gotta go now  
It's getting pretty late  
She says mama I don't wanna disobey

[Chorus]  
But I need 5 more minutes  
Cause I ain't ready yet  
We're out here counting the stars  
This night's as pretty as it gets  
Please mama don't make him go  
Cause I need 5 more minutes  
5 more minutes

Now there's a daddy that tells the organist to play one  
more song  
No nothing's wrong  
I just want another moment to hold my baby girl  
Since the first day I held you  
I knew this day would come  
Oh honey I'm so glad you found the one

[Chorus]  
But I need 5 more minutes  
Cause I ain't ready yet  
With that white dress and flowers in your hair  
You're as pretty as it gets  
But it's so hard to let my baby go  
I need 5 more minutes  
5 more minutes, yeah

Now it's just him and her and God  
Around that bed  
And he needs 5 more minutes  
Cause he ain't ready yet  
Oh, his wrinkled hands are praying  
Wishing God'd take him instead  
And he can't let her go

Cause he needs 5 more minutes  
5 more minutes, yeah

Man that clock ticks so fast  
Cause once time passes  
You can't have it back
