When you have to look away  
When you don't have much to say  
That's when I love you  
I love you just that way

To hear you stumble when you speak  
Or see you walk with two left feet  
That's when I love you  
I love you endlessly

And when you're mad 'cos you lost the game  
Forget I'm waiting in the rain  
Baby I love you  
I love you anyway

'Cos here's my promise made tonight  
You can count on me for life  
'Cos that's when I love you  
When nothing you do could change my mind

The more I learn  
The more I love  
The more my heart can't get enough  
That's when I love you  
When I love you  
No matter what

So when you turn to hide your eyes  
'Cos the movie  
It made you cry  
That's when I love you  
I love you a little more each time

And when you can't quite match your clothes  
Or when you laugh at your own jokes  
That's when I love you  
I love you  
More than you'll know

And when you forget that we had a date  
Or that look that you give when you show up late  
Baby I love you

I love you anyway

'Cos here's my promise made tonight  
You can count on me for life  
'Cos that's when I love you  
When nothing you do could change my mind

The more I learn  
The more I love  
The more my heart can't get enough  
That's when I love you  
When I love you  
No matter what

Oooohhh  
Whoaaa  
That's when I love you  
When nothing baby  
Nothing you do could change my mind  
The more I learn  
The more I love  
The more my heart can't get enough  
That's when I love you  
When I love you  
No matter what

Ooohhh  
Oooohhh  
No matter what
