Let's toast put your cups and your drugs in the air.  
Put your hood in the air make the bitches stop and stare.

Get crunk put your pistols in the air make 'em pop  
Get buck till the police have to come and make us stop.  
Henese, Grey Goose, 1800 of Patrone keep drinking  
double shots till the  
Whole bottle gone.

Get fucked up and try to take a piece of pussy home  
Niggas acting up Corona bottle to his dome  
Where the dro? Cut the cigarillos straight down the  
middle.

Make the blunt real big, hold and drink and sip a little.  
Boys with the bread throw it around make the world  
know.

Been around the world country crib where the fam go?  
Big booty lady in the front row at all my shows.  
Singing all the words and pulling on my new clothes.  
And I was told everything that I ain't gold.  
After my hustling over ya'll know what I'm looking for.

Oh youz a mouth runna from under the couch comes a  
FOFO come ready to spit out thunder

MJ fucking G the whole hood needs us  
AKA the fat boy and the black Jesus.  
Swisher sweet needs to really break a nigger off.  
Instead of jagerbomb  
I'm gonna roll one so nice I can wake up to it.  
With some fruit juice fluid tell Loui is Jerry Louis  
I'm smoke mine (smoke mine) I'm gonna chief mine  
(chief mine)  
We're gonna be chillin and throwing up a peace sign.  
Chronic smokers tell them I'm in the top ten.  
If you don't smoke an ounce a day you need to stop  
then.  
What you drinking? Put your wine cooler down  
Sometimes I drink a little I clear or I'd rather do the  
brown.  
I'm a hen drinker professional hoe teacher.  
How long these hundred millions people.
