Suck a nigga dick for a outfit
When you get through get out bitch
Suck a nigga dick for a outfit
When you get through get out bitch

I like the way you suck it suck it, lick it lick it
I like the way you suck it suck it, lick it lick it
So Suck a nigga dick for a outfit
When you get through get out bitch

Pull my dick out yo mouth now stick it back in
Pull It out, look at it, now stick it back in
Pimp JG pimp tight
It's the return of the nigga with the big pipe
I mean I lay it like a plumber with the magnum bone
But all I wanted is me some dope and I'm gonna pass
some moe
So come on!
Keep your clothes on open your jaw
Suck a nigga dick, balls and all

Black black white white
Thick or petite
Pretty face pretty hair
I want some real pretty feet
I'm straight from the gutta I don't care what you think
I hate it when a bitch act like her shit don't stink
I'm smelling real good fresh hair clean sneakers
Sucking on an altoid, game like a preacher
Hat to the back all black that's the uniform
I made this for bitches
Wanna know what I'm gonna do for em

Suck a nigga dick for a outfit
When you get through get out bitch
Suck a nigga dick for a outfit
When you get through get out bitch

I like the way you suck it suck it, lick it lick it
I like the way you suck it suck it, lick it lick it
So Suck a nigga dick for a outfit
When you get through get out bitch

I'm trying to prevent another talk show
So with this outfit I'm trying to get some mouth hoe
I'm on the go, baby look there ain't no stopping with us
All I wanna do is plug your esophagus up
They call me me MJG the incredible nigga
Push it down your throat, baby lemme tickle your liver
They gonna have to put you in the guinness book for real
For being able to swallow a piece of the steel

If you want to we can do it right here in the car

I got tint on my windows if it's light or is dark
You can bob on my knob without being seen
I'm a let the seat back and start smoking on some
green.
Mama if they gave out awards for giving head
You gon be the big winner make all the bitches mad
Sexy motherfucker dime piece if I was one of those
Weak ass niggas I would marry you but no just...

Suck a nigga dick for a outfit
When you get through get out bitch
Suck a nigga dick for a outfit
When you get through get out bitch

I like the way you suck it suck it, lick it lick it
I like the way you suck it suck it, lick it lick it
So Suck a nigga dick for a outfit
When you get through get out bitch

Get your hands out my pockets bitch
Watch your friends
After one outfit it starts and ends
Don't think you can start getting cheese from me
Cause I bought you a shirt and got it easily
I'm what every young pimp nigga needs to be
My whole life been a ride
Give the keys to me
Pimp tight MJ understand the facts
Stop talking Give me head I'm the man at that

I'm gonna give it to you straight
Is you with it or not
Keep it hot don't stop
Make it stand up and pop
Back stage at a show
I was clearing my mind
Smoking something sipping good
Feeling oh so fine
Pretty girls walking in trying to take a flick

You young scout motherfuckers can you take a dick
Smile for the camera, pose show your ass
I like it when the good girls be acting bad.

Suck a nigga dick for a outfit
When you get through get out bitch
Suck a nigga dick for a outfit
When you get through get out bitch

I like the way you suck it suck it, lick it lick it
I like the way you suck it suck it, lick it lick it
So Suck a nigga dick for a outfit
When you get through get out bitch
