Relax and take notes w-w-while I take *** of the

M E M P H I S

I'mma rep this hurr 'til I walk up on death

My demise ain't here, don't hold your breath

Cook heat over beef so I'm somethin' like a chef

Purple kushes, my *** wax off they *** bushes

Eat ** like it's delicious and grant a pimp wishes

She dig my country talkin', she say I sound funny

Embassy suites sittin' on the bed countin' money

Illegal hustlin', dirty money mustlin'

Spend it like I never saw a day of pain or sufferin'

Look at my face you can tell I seen both of 'em

I stick in move, do my biz get my doe and dip

My chronic habit heavy weed man in every city

My money big so my airplane il bitty

Major visibility, bad boy lieutenant

Black Phantom wit the black guts and I'm in it

Relax and take notes while I take *** of the marijuana

S*****, relax and take notes *** ***, *** ***

I just want the paper, I just want the paper

I just want the paper, I just want the paper

Relax and take notes while I take *** of the marijuana

S*****, relax and take notes *** ***, *** ***

I just want the paper, I just want the paper

I just want the paper, I just want the paper

If you not speakin' good don't be sayin' my name

Ain't no way you *** can hide
I can get you in the house, I can get you outside

l'mma load da pump up, lay down jump up
Surprise everybody fittin' to help me wit my come up
Damn I done made, all of y'all *** ya jeans
This look, like it might be a job for Mr. Clean

You all bootleggin' *** youÃ¢ÄÂ™ s a knock off, a
imitation
Local ass kingpin *** wit a limitation
You don't want no drama wit me
'Cause I got da ghost of Jeffrey Dona wit me

Relax and take notes w-w-while I take *** of the
marijuana
S*****, relax and take notes *** ***, *** ***
I just want the paper, I just want the paper
I just want the paper, I just want the paper

Relax and take notes w-w-while I take *** of the
marijuana
S*****, relax and take notes *** ***, *** ***
I just want the paper, I just want the paper
I just want the paper, I just want the paper

Suckas wanna see me fall, fall like a ton of bricks
It'll never happen dawg, Project PatÃ¢ÄÂ™ ll play it
slick
Flick when I'm in the ride nine million homicide
Done when ya come wrong, shoot suckas in tha Dome

Always about the cheese didn't wanna go there
He don't wanna pay me where he stay lets roll there
What's crooked as a crooked letter hump back, hump
back
Soda cook the dope together jump back, jump back

Meet any weather cock it pump back, pump back
If ya bust it first l'mma dump back, dump back
Down South we gon' hustle to the roster crow
My nose runnin' still 'cause a *** used to ***

If pockets low I'll let ya know, don't turn around

A hair trigger that'll bust, don't make a sound
I'mma tell ya what to do, lay it on the ground
Don't be hesitatin' fool, before I blow you down

Relax and take notes w-w-while I take *** of the
marijuana

S*****, relax and take notes *** ***, *** ***

I just want the paper, I just want the paper

I just want the paper, I just want the paper

Relax and take notes w-w-while I take *** of the
marijuana

S*****, relax and take notes *** ***, *** ***
