[Intro: Trick Daddy]

You lookin' real good baby  
I just want you to know  
I had a wonderful time this evening  
But unfortunately  
I guess this part of the story  
Well we tell eachother goodnight  
Nah how about this  
How about I break all the rules  
And tell you what I really been thinkin'

[Chorus: Jaheim]

Girl you got the big ol ass  
And fine hair  
And all the shit that I want  
Sexy motherfucker  
You acting like you want it right now  
Let a nigga know  
Is we gun fuck tonight  
My dick is gettin' rock hard  
Oh my god  
There's gonna be some fuckin' tonight  
Take your panties off  
Move your panties off to the side  
And let a nigga know  
Is we gun fuck tonight

[Verse 1: Trick Daddy]

See good pussy  
Will bring the freak out ya  
But if you eat it and don't get cheated  
The first off I beat the breaks off her  
No sense in half-steppin'  
Get serious  
Get the titties suckin' like  
Clit rubbin' and ass grabbin'  
I eat that pussy ass backwards  
A few strokes of this long warm tongue  
Should make the pussy cum  
So much for round one  
I spend a whole round two and back again

Stick in move  
Stick in move

[Chorus: Jaheim]

[Verse 2: Trina]

I need a real man  
I'm sick of playin' with lil' boys  
I'm tryin' to explore more like hot oils and sex toys  
I can't keep fakin'  
Man I'm so backed up and  
I can't eat I can't sleep  
My knees weak makin' me keep shakin'  
I need a real nigga to come save me  
One who pamper me and bathe me  
And make me wanna swallow his baby  
Talkin' thug shit like fuck me crazy  
From the back or in the butt  
I'm like fuck me baby fuck me baby

[Chorus: Jaheim]

[Verse 3: Trick Daddy]

All the matter is  
I can get you wet again  
Suck you fuck you better than  
Any other nigga can  
I specialize in multi orgasms  
Gettin' rid of back spasms  
And do it all without viagra  
I'll fuck you all night  
Make you sleep all day  
Treat you to breakfast then  
Eat you for breakfast  
I know baby  
I'm so unselfish  
But you're lovin' it besides  
I'm a freak so I can't help it  
All I need is old slow songs  
One cold shot of patron  
See you walkin' around me in a thong  
And it'll be over before the chorus come back on  
You'll be leavin and I'll be ab libin'  
And we'll be singin' our damn song  
It's like the first time we made eachother cum  
We'll be suckin' and fuck eachother  
Taste eachother cum  
No soul alive can erase what we done  
All our horny sticky memories you are stuck to me  
permanantly

[Chorus: Jaheim]
