You could be waiting for a day that won't come  
And you can be so much more than you've become  
And I have found my feet 257 weeks  
But you could be waiting for a day that won't come

You could be waiting for your life to begin  
And you can be so much more than you've been  
And I have found my feet 257 weeks  
But you could be waiting for your life to begin

And it's so sad,  
Your so good and I'm so bad  
But you won't see me wasting the best thing I ever had  
And it's such a shame, that I can't tell you anything  
You won't hear me,  
Still you endear me now

Hard to see past the window facing forward looking  
back  
Over years spent tracing wondering how you left your  
track  
Underwater breathing burns your lungs and breaks  
your back  
And you could be waiting right here for a day that won't  
come

And it's so sad,  
Your so good and I'm so bad  
But you won't see me wasting the best thing I ever had  
And it's such a shame that I can't tell you anything  
You won't hear me,  
Still you endear me now

You could be waiting for your life to begin  
And you can be so much more than you've been  
And I have found my feet, 257 weeks  
But you could be waiting for your life to begin

And it's so sad,  
Your so good and I'm so bad  
But you won't see me wasting the best thing I ever had

And it's such a shame, that I can't tell you anything  
You won't hear me,  
Still you can't endear me and it's so sad,  
Your so good and I'm so bad  
But you won't see me wasting the best thing I ever had  
And it's such a shame, that I can't tell you anything  
You won't hear me,  
Still you endear me now  
Still you endear me now  
Still you endear me now
