I used to think that you were someone else
Then I'd lose my mind each day
I used to think that I could help myself

Pre-Chorus:

But it's true what they say
There's no reason without a way

Chorus:

If this is goodbye to you and me
What a good friend you've been to me
and I owe it all to you
every good thing that I do is you

I used to wish that I was someone else
Then I'd dream away the day
Those dreams have made me into someone new

Pre-Chorus:

And it's true what they say
There's no better time than today

Chorus:

If this is goodbye to you and me
What a good friend you've been to me
And I owe it all to you every good thing that I do is you

Bridge:

I am here
I need to say
That I will miss you
Every day

Pre-Chorus:

And it's true what they say
there's no better time than today

Chorus:

If this is goodbye to you and me
What a good friend you've been to me
If this is goodbye to you and me

Well what good friends we will always be

And I owe it all to you
Every good thing that I do is you
Every good thing that I do is you
It's you
Every good thing that I do is you
It's you
Every good thing that I do
I owe it all to you
Every good thing that I do is
