"I Love You"

When I was a younger man
I hadn't a care
Fooling around
Hitting the town
Growing my hair

You came along and stole my heart
When you entered my life
Ooh girl, you got what it takes
Wanna make you my wife

Since then I never looked back
It's almost like living a dream
And ooh, I love you

You came along from far away
And found me here
I was playing around
Feeling down
Hiding my fear

You picked me up from off the floor
And gave me a smile
You said "You're much too young
Your life ain't begun
Let's walk for a while"

And as my head was spinning round
I gazed into your eyes
Ooh, I want you
And thank you girl for being a friend
And shining your light on my life
'Cause ooh, I need you

And as my head was coming round
I gazed into your eyes
Ooh, I want you
Thanks again for being my friend
And straightening out my life
'Cause ooh, I need you

Since then I never looked back
It's almost like living a dream
Ooh, I got you
If ever a man had it all
It would have to be me
And ooh
I love you
