You might've been the one for me if you hadn't gone
and lost your mind, come on
Did you really think that crazy shit would make me
stay?
Trying to salvage something that wasn't worth your
effort
You know what
I was happier than ever when you moved away

And I can't believe
It took me so long to walk out the door
And realize
That you were just a crazy stupid...

Everything you did to me
You really should be ashamed of yourself
Telling me you're expecting when knew it wasn't so
That's not cool
And neither was that time you burned my stuff
That's when I knew that it was time to go

And I can't believe
It took me so long to walk out the door
And realize
That you were just a crazy stupid...

I wish
That I had never seen your face at all
So I wouldn't have had to rebuild my self respect up
from the ground
But I'm glad
And I want you to know it made me stronger now
So somebody like you will never bring me down again

[Two three four]

And I can't believe
It took me so long to walk out the door
And realize
That you were just a crazy stupid whoOoOoOoOore.....
