Once upon a time there was a boy who knew a girl  
And he ceased to exist as he had become trapped in  
her world  
And she played naughty games and such  
It happens all the time  
And after all this madness he was messed up in his  
mind

I'm getting used to this  
So I want you to understand  
This is not who I am  
And if I seem a bit too weird  
Pay no mind  
Cuz I swear I'm doing fine

I wanna try and make you see  
There's been some damage done to me  
And I just might let you inside  
But hold on cuz it might be a long ride

One too many times there was a boy who was let down  
Slowly forgetting what it's like to have someone around  
There's some sort of malfunction yeah I think  
something went wrong  
It needs to be built up again  
Knocked down for oh so long

I'm getting used to this  
So I want you to understand  
This is not who I am  
And if I seem a bit too weird  
Pay no mind  
Cuz I swear I'm doing fine

I wanna try and make you see  
There's been some damage done to me  
And I just might let you inside  
But hold on cuz it might be a long ride, oh yeah  
I think I'm outta my head
