It's just me against tha World
ooohhhhh ooohhhhh
just me against tha world baby
ohhhhhh ohhhhhh
I got nothin' ta lose
it's just me against tha world
ohhhhh
stuck in tha game
me against tha world baby
Can you picture my prophecy?
stress in tha city
tha cops is hot for me
tha projects is full of bullets
tha bodies is droppin'
there ain't no stoppin me
constantly moven while maken millions
witnessin' killins
leavin dead bodies in abandoned buildings
carries tha children
cause they're illin'
addicted to killin'
a near appeal from tha cap pealin'
what i'm feelin'
but will they last or be blasted
hard headed bastard
maybe he'll listen in his casket
tha aftermath
more bodies being buried
i'm losen my homies in a hurry
they're relocating to tha cemetary
got me worried
stressin'
my visions blurred
tha question is will I live
no one in tha world loves me
i'm headed for danger
don't trust strangers
put one in tha chamber
whatever i'm feelin' is anger
don't wanna make excuses
cause this is how it is

what's tha use
unless we're shootin'
no one notices tha youth
It's Just Me against tha World baby
Chorus
ooohhhh
Me against tha world
It's Just me against tha World
ooohhhh
It's Just Me Against tha World
Me Against tha World
cause it's just me against tha world baby
Me against tha World
ooohhhh yeeah
I got nothin' ta lose
It's Just me against tha world baby
I got nothin' ta lose
[Dramacydal's verse]
Could somebody help me?
i'm out here all by myself
seeing ladies in
