I found a girl who can drink some PBR
I found a girl who can change the oil in my car
She was standing in the checkout line that's when she
caught my eye
Buying diapers and chicken pot pie

My white trash girl
You rock my world and i can't wait to see you girl
Yeah yeah yeah
My white trash girl
You've got a crazy ex-husband i think his name is earl
But i don't care

She asked me to come over when she got off work
She showed me her collection of airbrushed lynard
skynard t-shirts
We've got nothing in common but we get along just
fine
As long as the kid isn't mine

My white trash girl
You rock my world and i can't wait to see you girl
Yeah yeah yeah
My white trash girl
You've got a crazy ex-husband i think his name is earl

But i don't care

Cuz you're the one for me and i'll tell you when i knew
The moment you showed me that harley davidson
tattoo
And then when you told me i looked like blink-182
Oh white trash girl i fell in love with you

One day she told me that she had to go away
Her daddy can't stand me and on top of that he thinks
i'm gay
But i'll always think about the times that we shared
Cuz i still got a pair of her underwear

My white trash girl
You rock my world and i can't wait to see you girl

Yeah yeah yeah
My white trash girl
You've got a crazy ex-husband i think his name is earl
But i don't care

I fell in love with you...
