[Chorus: Akon] I like to watch your body move when you're ridin on top On top, on top, on top, ay! I like to watch your body move when you're ridin on top On top, on top, on top Movin them hips, ride me ever so slowly Actin so grown and sexy you know, what I wanna see I like to watch your body move when you're ridin on top On top, on top, on top, ay [Twista] Look at how she make it move like jelly man You know I gotta get a shot with the steady cam You gon' have a brother comin out the Pelle pants if I gotta keep on lookin at the way you belly dance She got a cute portfolio Fast like a NASCAR like she drove befo' Because I can tell by the way she ride that stick that she ride that dick like a rodeo AY! On top while I'm huggin them thighs and you know I like lookin at what I do see I tried to hit it from the bottom but she told me to be real still cause she wanna do me Like a gangsta when I touch - her Thought I was rough, but she was rou-gher She cut me, I didn't cut - her We +Traded Places+ like U-sher Because, she drop to the flo' and then ease up Come and +Rock My Boat+ like Aaliyah If you could grind on me like Shakira When you on top then I just might see ya He don't really know the way you do work He said he had hit it good when he was at you But you be givin me the vision of a freak so I gotta lay back, I wanna see what that do cause

[Chorus] [Twista] I'm feelin how you bump and grind with a twist Come and slide with the Twist if you ain't got plans How you do it and I knew that you was ready when I saw the way the phatty lookin in them black pants And you knowin that I know it be good when you be on top of me and givin me a lap dance You move your body like a choreographer I would lay down and watch if I got that chance Probably owin you an apology for thinkin I'ma be better but I'm lovin the way she rockin me Possibly I could be up in the odyssey from how good that bottom be when I let her get on top of me I knew that she was kinda buck when she got in the truck I wanna hit it after sippin the 'gnac in a cup I like the way the booty look when she backin it up Come with me and let's get buck in the back of the bus A good time, are you with that there? Come and give it to me

cause I gotta get that there Nuvo is here, gon' sip that
there Then pop this here, let me hit that there (that
there) So sexy you fine lil' 5'8" When she ride me she
make her body vibrate When I'm lookin at her I never
