Hard hitter with a match to go
He's an, iron man
Smooth, Green, He's on the dark side
You want, you want me
I'm in pain
Dont lose, dont lose it
You're insane

You're a disease
You're killing me

Crash
And Burn
Crash, Crash, Crash

Black light on the wall behind you
You feel it burning skin
Tough call for a market traitor
Come on, break in
You want, you want to
Come to me
A time, a time to choose you
Don't piss on me

You're a disease
You're killing me
Crash
And Burn
Crash, Crash, Crash
And Burn
Come on, crash
Crash and burn
Crash, crash, crash
Crash

Wanna go for a ride?
Wanna go for a ride?

Wanna go for a ride?
Wanna go for a ride?
Ride

You push me in
You pull me out
You push me in
You pull me out
You push me in
You pull me out
You push me in
And you kick me in the head, Yeah
Oh yeah
Oh yeah
Oh yeah
You're a disease
You're killing me
