Heavens loaded
This is how its supposed to be
And I'm going
And I'm going to set them free
Why can't you
Why can't you not see the truth
How dare you
Your new bones are in you

Unholy child
Unholy child
Unholy child
Unholy

One need too many
Left you cold deep inside
With your blue skin
Withered love, left to die
How could you
How could you be so lost
So come, teach us
Get yourself down from the cross

Son of a virgin

Son of a whore
You're not my child
Bastard child

Unholy child
Unholy child
Unholy child
Unholy

lots of drums and guitars and stuff (thankee david,
master of pointing out the bloody obvious!)

Unholy child
Unholy child
Unholy child
Unholy child

So holy child
You're holy
Unholy child
You're holy

Heavens loaded
Is this how its got to be
I miss you
I miss you
I miss you

I miss you
