[CHORUS]

All of me for all of you
Nothing less will ever do
I can't give you all of me
Not for half of you
All of you for all of me
That's the way it's got to be
I won't give you all of me
Not for half of you

This is the beginning
Of a love for us
We're holding, squeezing
Talking that lovey stuff

I need you, want you
Hoping anyone should be
Allowed to need a love
Anything

Bring to me the
Same thing I'm bringing
Oh, by the way
One more thing, it's

[Repeat CHORUS]

This is the beginning
Of a me and you
Kissy, kissy, kissy
Meaning I love you

Huggy, huggy meaning
No one else will do
I'm your baby as long
As you're my baby too

Let's make this an adventure
Not a trip
I'm not gonna love someone else
That ain't really love

All of me for all of you
Nothing less will ever do
I can't give you all of me
Not for half of you

I'm bringing you a woman
(Nothing less will do)
Bring me a man, hey

I'm bringing you a woman
(Nothing less will do)
Bring me a man

[Repeat CHORUS]

All of me for all of you
Nothing less will ever do

I love you more
Than I did yesterday
You picked a loving
Each and every day

All of me for all of you
Nothing less will ever do

I'll give you loving
That won't rub off of you
Tender sweet love that'll
Knock the socks off of you

[Repeat CHORUS]

Not for half of you

[Repeat CHORUS]
