Verse 2

This is something that i love to do
And if you got money you can come along too
It's deep and i'm takin shots so you kno i'm through
I'm stumblin' in the club and i'm scuffin' up my shoes
And i'm like uh uh oh man and i'm feelin' real loose
I drunk a lot of drinks but i think it was that juice
Or maybe was a contact from puffin on that fruit
Naw i think shawty it was that gin and that juice
But i'm like hold up let ya girl catch a breather
my back against the speakers my legs was gettin
weaker
I'm posted like a meter my stomach's gettin deeper
I need another drink i'm gettin hot like a fever
Back in the club mr. bartender is fillin up my drink
Takin shots to the head drinkin jose man i'm feelin like

I need you you need me so baby tell me what you think
we can meet in the bathroom gettin it crackin but i need
another drink so

Chorus

Ba ba bartender
let me get another one
let me get another one
i'm gettin scummy dummy dog
ba ba bartender

ba ba bartender hit me with another one
