I'm what you want, I'm what you need
He got you trapped, I'll set you free
Sexually, mentally, physically, emotionally
I'll be like your medicine, you'll take
every dose of me
It's going down on isle 3. I'll bag you like

And every time you think about it you gon' want
some more of me
Bout to hit the club, make a movie yeah rated R
Pulled up like a trap star, thats if you had
(in the car) Have you ever made love to a thug in the
club with his sights on?
87 Jeans and a fresh pair of Nikes on
On the couch, on the table, on the bar, or on the floor
You can meet me in the bathroom yeah you know
