(Verse 3, Lil Wayne)  
Ah-em...  
Shawty want a thug  
It started with a hug  
And her ass one night  
This, I gave her neck a kissy-kiss  
She gave my neck a kiss back  
I said we could do it like a stack  
I mean we could do it like a g  
On the couch in V.I.P.  
Shawty we could get it on  
I'm like, shot-out to the DJ for playin this song  
Girl we could act like two damn fools  
And everybody think we doin a dance move  
Call me, so that I can get'chu to fly and meet me in the

bathroom  
And you could be my secret lovey-dove  
Hahaha  
And it started with a hug  
But now we makin love in this club  
And when I come stylin just because  
The people in the crowd are watchin us  
But we don't give a damn what they say  
They said "Da-da remix bay-bay!"

(Usher)  
Come a little closer to daddy, put it on ya  
Need you to know, what happens here stays here

(Beyonce)  
And I'm ready and willing  
Almost got to go  
Got'cha standin at attention  
Keep it on the low

(Usher)  
Ain't nobody watchin  
Don't worry they can't see us  
I know I got'cha hot  
Now let mee innn

(Beyonce)  
You in the club or the car  
Where-ever you are  
Run and tell the DJ  
Run it back on re-play

(Hook, Usher & Beyonce)
