When your luck it runs out
i will be here to say
that's just life down at the bottom of the lake
it ain't that bad
when your decisions they turn into mistakes
don't feel bad
people lie to themselves everyday
this is not superstition, i'm just scared as shit
everybody is leaving me down at the bottom

it ain't that bad
it's hard to breathe though
will you please send help
and while you're at it let's just make a deal
this is not superstition, i'm just scared as shit

hey you let's make a deal
and you can meet me down at the bottom of the lake
we'll decide
