Hey, ya know, Rob.
The word, Mike, what's up? Man
I got something to tell you.
Oh, tell me my brother.
While you were gone, your woman.
My woman what?
Your woman steppin' out on you.
I gotta talk with this girl, right now.

Girl, rumor has it that you're leaving.
Girl, tell me that it isn't so.
Woh.
Never been one to show my feelings.
Kept my emotions deep inside, oh.
You don't know a good thing 'til you lose it.
That's what it took to open up my eyes.
Baby, I can't stand to see you go.
I love you more, more than you'll ever know.
Baby, I can't stand to see you go.
I love you more, more than you'll ever know, ever know.
Spoken: Ever know baby.
Girl, I never was a fancy, fancy talker.
And girl, I write my passion in a song.
Oh.
Hope my melody is appealing,
words that I say can change your mind.
Our love is poetry in motion.
I need to have you here to make the lyrics rhyme.
Oh baby, I can't stand to see you go.
I love you more, more than you'll ever know.
Baby, I can't stand to see you go.
I love you more, more than you'll ever know.
I can't stand to see you go.
I love you more, more than you'll ever know, ever know.
I can't stand, I can't stand it.
Ever know.
Ever more.
Ever know.
Ever know.
