"What A Difference A Day Made"

What a difference a day made, twenty-four little hours,

Brought the sun and the flowers, where there used to
be rain,

My yesterdays were blue dear, today I'm part of you
dear,

My lonely nights are through dear, since you said you
were mine,

What a difference a day made, there's a rainbow
before me,

Skies above can't restore me, since that moment of
bliss, that lovely kiss,

It's heaven when you find romance on your menu,

What a difference a day made, and the difference is
you
