[Old Man]

Excuse me sonny, do you know where I can find some  
booty!

[Chorus]

Whoot, there it is (Yeah you say it)

Whoot, there it is (Yeah I like that)

Whoot, there it is (Yeah a little louder)

Whoot, there it is (Yeah come on)

Whoot, there it is (Come on, come on yeah)

Whoot, there it is (I like that come on)

Whoot, there it is (Yeah, baby baby)

Whoot, there it is (Come on)

[Verse 1]

Oh girl over there in the blue

I gotta pocket full of tracks so what cha gon' do

Turn around and let me peak

And let's play a little bit of hide and seek

Show me that and I'll give ya this

A twenty dollar bill that's nice and crisp

What cha' gotta do is work

Shake it on down and watch me go bizurk

You know just what I'm talkin' about

Pop that thang, move it in and out

Like that, get on the stage and work that cat

Yo fellas where that booty at

[Chorus x2]

Whoot, there it is (One mo' gen' where that booty at)

Whoot, there it is (All my friends where the booty at)

Whoot, there it is (All the fellas where the booty at)

Whoot, there it is (Everybody where the booty at)

Look-a here, look-a here, look-a here

Boy look-a here

Look-a here, look-a here, look-a here

Boy look-a here

Look-a here, look-a here, look-a here

Boy look-a here

[Old Man]

Excuse me sonny, do you know where I can...find some  
booty

Whoot, there it is

Find some booty

Whoot, there it is

F-f-f-find some booty

Whoot, there it is

Find some booty

Whoot there it is

Oh-ay, oh-ay look at that booty

Oh-ay, oh-ay (Excuse me sonny)

Oh-ay, oh-ay look at that booty

Oh-ay, oh-ay (Excuse me sonny)

Oh-ay, oh-ay uh look at that booty

Oh-ay, oh-ay uh look at that booty

Oh-ay, oh-ay uh look at that booty

Oh-ay, oh-ay uh look at that booty

Whoot, whoot, twerk that thang like a real deal

Whoot, whoot, twerk that thang like a real deal

Whoot, whoot, twerk that thang like a real deal

Whoot, whoot, twerk that thang like a real deal

[Chorus]

Whoot, there it is (Come on, come on, come on)

Whoot, there it is (Yeah you say it)

Whoot, there it is (Now everybody)

Whoot, there it is (Yeah I like that)

Whoot, there it is (Now say it louder)

Whoot, there it is (Come on everybody)

Whoot, there it is (Yeah, I like that)

Whoot, there it is (Come on, come on, come on)

Look-a here, look-a here, look-a here

Boy look-a here

Look-a here, look-a here, look-a here

Boy look-a here

Look-a here, look-a here, look-a here

Boy look-a here

Look-a here, look-a here, look-a here

Boy look-a here.....here we go

[Verse 2]

Come on sexy get on the floor

Works that thang till it works no more

Shake that thang like a salt shaker

Ya gotta work that big money maker

Do ya wanna get paid

Ya better sland that big ol' thang off the stage

Make these fellas go wild

Work that thang like it's goin' outta style

Cause ya look so cute

With ya long boots and ya g-string suit

Get on stage and work that cat

Hey yo fellas where the booty at

Whoot, there it is

Whoot, there it is

Whoot, there whoot, there

Whoot, whoot, whoot, whoot, whoot, there it it

[Computerized Voice]

All the fellas where the booty at

Whoot, there it is

Let me know where the booty at

Whoot, there it is

All the ladies where the booty at

Whoot, there it is

Let me know where the booty at

Whoot, there it is

All the fellas where the booty at

Whoot, there it is

Let me know where the booty at

Whoot, there it is

All the ladies where the booty at

Whoot, there it is

Let me know where the booty at

Whoot, there it is

Whoot, there it is (x5)

Wh-wh-whoot, thee it is (x5)

Whoot, there it is (x5)

Wh-wh-whoot, thee it is (x5)

[To fade]

Oh-ay, oh-ay look at that booty

Oh-ay, oh-ay (Excuse me sonny)

Oh-ay, oh-ay look at that booty

Oh-ay, oh-ay (Excuse me sonny)

Oh-ay, oh-ay uh look at that booty

Oh-ay, oh-ay uh look at that booty

Oh-ay, oh-ay uh look at that booty

Oh-ay, oh-ay uh look at that booty
