[Repeat 2x]

She got to her own house

She got her own car

Two jobs work hard you a bad broad

If you aint on sit down [Repeat 4x]

[Verse 1: Webbie]

I-n-d-e-p-e-n-d-e-n-t do you know what that mean

Baby Phat just relax

Front your own flat screen

Back rub, cook, clean, and don't make her make a scene

When u callin her on her cellular she tell u she'nt need not a got damn thang

You a hot damn thang

If you think u finna get her wit a got damn chain

You insane, boy you better get some gotdamn change

You a fool, been to school

Even walked across the stage

And she say I love webbie

From his looks to his ways

The stilettos the J's depend on how the weather look

Flip flop slippers just to show off the pedicure

Flip flop niggaz jus depend on how the cheddar look

She'll buy her own I don't think she'll never look

In a man face standin waitin for him to take care of her

She'll rather go to work and pay the bills on schedule

[Chorus]

[Verse 2: Lil Phat of 3-Deep]

She a dome dime diva

Gutta like Keisha

Work that meter

Cuz she a good freaka

Cuz she stay on her shit

She got her own shit

She don't neva trip cuz all she want is that dick

She bouncy flossy keep them hoes off me

Gutta lil slang man I love when she talkin
A independent chick do you know what that mean
She cook she clean neva smell like onion rings

When she break a nigga off
Got a nigga spoiled
She a bad lil chick
A fly lil chick
Hit me on my phone she like to buy that dick
Got her stunna shades on lookin like sumthin
Stallion hair long she a nice sumthin
Like to go to the mall er'day for an outfit
Hair did, nails did ,Independent what she call it

[Chorus]

[Verse 3: Lil Boosie]

She got her own house
Drive her own whip
Range rover all white...like her toe tips
She got a pretty smile ..smell real good
Only time she need a man for that good jug
They buy the bar too
They superstars too
They be like you aint got no money take yo broke tail

In Baby Phat they on
They cloths match they phone
They be like YEAH!!! when they song come on
Leave the club kinda early
Cuz they gotta go to work
I mess wit supervisors who got credit like Big Turk
So dusty feet please don't bother me
I got independent dimes on my mind...who spoil me
Gucci hat...Gucci fit so sick
That's a gift from my independent chick yes sir!
Tryna get me next to her gotta be yaself mayne
cause she got her own money she don't need no help
mayne (Boosie!)
