## Verse 1

I get up, its 2pm  
I look at myself, wonder where I have I been  
Sun's comin' up, oh so bright  
My poor eyes can't handle the light  
Socks on the ceiling and beer on the floor  
Ooo if I could just make it to the door  
Sometimes I think I'm go'na die  
But I have so much fun, not even go'na try

## Chorus

Yeah I got it made  
Yeah I got it made  
Yeah I got it made  
Yeah I got it made

## Verse 2

I make enough money to keep me in beer  
I play a little rock and roll, here and there

People seem to love me wherever I go  
I'm never late, late for the show  
Momma she says, says that I'm crazy  
My poor old man, says that I'm just lazy  
Just one thing they don't understand  
Ya' got'a know, I got'a plan

## Chorus

Solo

## Verse 3

Things I do, I do for pleasure  
I like a little lust, at my leisure  
So baby, don't think you can hang onto me  
I go'ta be wild, I got'a be free  
I'm here for a good time, and that's what I am  
Don't care about hell, don't care if I'm damned  
These are good words, to live by  
And ya' know me, I never lie.

## Chorus
