#### Leaving Vegas

##### Verse 1

The sun came up this morning  
Caught the first plane out of town  
Didn't know where I was going  
Just knew I had to run  
Didn't want to waste another day

##### Verse 2

We had almost decided  
To come back from the abyss  
We planned ourselves a future  
Without any mistakes  
Of gardens of Eden  
Flowers and Joshua trees  
But the Caesars would not forgive us  
As the Mirage just faded away

##### Chorus 1

I am leaving Vegas  
Leaving this life of gambling  
Leaving here a broken man  
Got to salvage what I can

##### Verse 3

The sun comes up tomorrow  
Don't you ever forget it  
I will be racing the wind  
And you will be firmly on the ground  
Don't ever regret it  
Seek solace from your friends  
We will always have the memory  
Of that night at the Sands

##### Chorus 2

I am leaving Las Vegas  
Leaving this life of gambling hands  
Leaving here a broken man  
Got to salvage what I can

Leaving Las Vegas  
Got to salvage what I can  
Viva Las Vegas
