It's just a day, a day, a terrible day  
Things don't really seem like they are going my way  
I got a girlfriend in Virginia, I'm in California  
She said I know you prolly cheated and I've got  
something to say

I got a new guy, that's what she said  
I never knew I'd feel like I'm dead  
Cause I lost my bottom lady for a one night stand  
She said I thought that you should know that I don't  
wanna be friends

She said  
I don't wanna be your friend  
She said  
I don't wanna be your friend  
She said  
I don't wanna be your friend  
Well baby I don't ever wanna see you again

Lil lady c'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo

I send a text a dozen times but you don't read 'em no  
more  
You always say what's on your mind, so why don't you  
pick up the phone  
I play the game you change the rules, is that the status  
you write  
I live and pay you all my happiness, I post in reply

You see I notice your type, I cheat and no it ain't right  
You want revenge with no forgiveness but I don't think  
it's fair  
I see you out with other n\*ggas and I know you don't  
care  
I just hope I still can get it since you won't be my friend  
OK

She said  
I don't wanna be your friend  
She said  
I don't wanna be your friend  
She said  
I don't wanna be your friend  
Well baby I don't ever wanna see you again

Lil lady c'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo  
C'mon, ooo ooo
